

NIELSEN TENNIS STADIUM INDOOR COURT RESURFACE **MSN #0038-1601**

UW-Managed Process

Design-Bid-Build Single Prime

This project resurfaces the indoor tennis courts and expands the outdoor space from six to eight courts on the north side of the stadium adjacent to the existing outdoor courts. It also improves spectator experience by adding a sound system, LED court lighting that meets NCAA standards, individual scoreboards for the center six courts, and spectator seating for about 600 people.

BUDGET

Total	\$2,136,120
Construction	\$1,729,445
Design	\$174,920
Mgt.	\$67,200
Contingency	\$164,555
Equipment	-
Other Fees	-
